Part IV, Section A, Line 1:
The Vincent B. and Barbara G. Welch Supporting Organization's
organizational documents identify its supported organizations as the
Maine Community Foundation (listed by name in Part I) and also a class
of organizations designated as "charitable and educational programs
including those assisting youth, education, health care, substance
abuse treatment and rehabilitation, and art and culture." The Welch
Supporting Organization supports these educational and charitable
organizations through the administering of grants. The Supporting
Organization's more narrow focus allows for it to better coordinate
grants to these types of educational and charitable organizations that,
but for the existence of the Welch Supporting Organization, would
otherwise be administered through the Maine Community Foundation.

## Part V, line 4:

The intended use of the endowment funds is for charitable grant making to

non-profit organizations in the greater Portland, ME area.

Part X, Line 2:

MaineCF and its supporting organization, Maine Community Supporting

Foundation, are tax-exempt organizations as described in Section 501(c)(3)

of the Internal Revenue Code (the Code) and are generally exempt from

income taxes pursuant to Section 501(a) of the Code and qualify as public

charities under Section 170(b)(1)(A)(vi) of the Code. The Edward H. Daveis

Benevolent Fund and the Vincent B. and Barbara G. Welch Supporting

Organization are exempt from federal income taxes under Section 501(a) of 132054 10-28-21 Schedule D (Form 990) 2021

08251101 793251 17430

2021.05000 Vincent B and Barbara G Wel 17430\_1

the Code.

MaineCF pays unrelated business income taxes on income from certain types of transactions within investment partnerships. Under Maine State law, the Foundation is not exempt from state sales tax on taxable purchases.

In certain circumstances, tax-exempt organizations may be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items, including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board (FASB), assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense.

Management has evaluated the Foundation's tax positions and concluded that the Foundation has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment to the consolidated financial statements.
