The Organization regularly provides charitable grants to recipients that further performance, visual, and musical arts, as well as artisanship and craftsmanship. From time-to-time and as part of these endeavors, the Organization may receive donations of artwork related to its charitable programs, or the Organization may otherwise acquire such pieces. Should the Organization ever acquire artwork directly, it is to encourage and promote the artist, and to create an internal environment and culture that fosters appreciation for artistic and cultural pursuits. Artwork held by the Organization is available for public viewing at the Organization's offices. The Organization does not actively solicit donations of artwork, nor does the Organization hold works of art or similar assets for financial gain.

Part X, Line 2:

MaineCF and its supporting organization, Maine Community Supporting Foundation, as well as its related organizations, The Edward H. Daveis

Part XIII Supplemental Information (continued)

Benevolent Fund and the Vincent B. and Barbara G. Welch Supporting Organization, are all tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and are generally exempt from income taxes pursuant to Section 501(a) of the Code.

MaineCF pays unrelated business income taxes on income from certain types of transactions within investment partnerships. Under Maine State law, the Foundation is not exempt from state sales tax on taxable purchases.

In certain circumstances, tax-exempt organizations may be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items, including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

Management has evaluated the Foundation's tax positions and concluded that the Foundation has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment to the consolidated financial statements.

Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

Maine Community Foundation only awards grants to qualified US charitable organizations as described in Section 170(c)(1) or (2) of the Internal Revenue Code. Any grants that are ultimately used for activities conducted in foreign countries are initially awarded to US organizations, who pass the money on to a foreign recipient. Grants to organizations are initiated by recommendation from a donor via a grant recommendation form. Prior to awarding any grant, a determination is made that the organization is a 501(c)(3) or a public organization in good standing.

An award letter is sent with each grant payment. The award letter clearly states the purpose of the grant and the terms of the award which include that the organization will use the grant only for the purpose stated in the letter. The award letter also states that by depositing the grant check, the organization agrees to and accepts the terms of the award.

Part IV, Lines 1, 3, 4, and 5:

The Organization considers all direct and indirect transfers of capital to foreign corporations at least annually to determine if the Organization is required to submit a Form 926, Return by US Transferor of Property to a Foreign Corporation. Should the Organization make direct transfers or have claim to indirect transfers in excess of \$100,000 during the applicable period, the Organization prepares and files such Forms 926 in compliance with IRS requirements and instructions.

The Organization did not have an ownership of any foreign corporation that would be greater than the 10% ownership filing threshold. Accordingly, IRS Form(s) 5471 is not required to be filed.

The Organization did not have any direct or indirect transfer during the year in excess of \$100,000 nor did it hold any interest greater than 10% in any foreign partnership. Accordingly, IRS Form 8865 is not required to be filed.

The Organization meets the exception for tax-exempt organizations with respect to filing Form 8621. Form 8621 is not required to be filed for the Organization.

Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Part I, Line 2:

Grant payments to organizations are initiated by recommendation from a donor, review committee, or by the terms outlined in the fund agreement. Grants initiated by a donor or review committee are authorized via a grant recommendation form or minutes of the committee meeting. Grants initiated by the fund agreement are scheduled for payment according to the terms set forth in the fund agreement. Prior to awarding a grant, a determination is made that the organization is a qualified US charitable organization as described in Section 170(c)(1) or (2) of the Internal Revenue Code.

For grants to organizations, an award letter is sent with each grant check. The award letter clearly states the purpose of the grant and the terms of the award which include that the organization will use the grant only for the purpose stated in the letter. The award letter also states that by depositing the grant check, the organization agrees to and accepts the terms of the award.

There are several follow-up activities employed to monitor the use of grant

Part IV Supplemental Information

funds to organizations. For grants issued from a field of interest fund, the organization receiving the grant is expected to prepare a project evaluation. Donors may request project evaluations for grants issued by donor advised funds. Some of the awarding committees meet with grant recipients. Workshops and planning sessions are offered for some of the grant recipients. In some cases, recipients of grants from designated funds are required to submit a report before receiving additional grant money.

Grant payments to individuals are initiated by individual high schools or scholarship recommendation committees using a recommendation form. MaineCF complies with the requirements of H.R.4, the Pension Protection Act of 2006, for the scholarship selection process. A "Terms of Award Letter" is sent to each student who is awarded a scholarship. The student must sign and return the letter, confirming the school he/she will be attending. If the student does not reply, the award is rescinded.

For all scholarship grants to individuals, the check is made payable to the institution for the benefit of the student and is mailed to the institution. Along with the check, a letter addressed to the institution and the student is sent explaining the specific purpose of the award and the timeframe it covers. The staff at the institution is required to sign and return a copy of this letter.
